Who is off-grid energy?

Off-Grid Energy has been designing off grid power systems since 2002 and working with solar battery systems since 2006. We are specialists in On & Off grid solar system solutions, both big and small and provide reliable power supply and storage systems.

Are solar battery cabinets suitable for off-grid solar panels?

Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries | available all over Australia.

What makes an off-grid solar system reliable?

The design, sizing and programming are integral to an on or off grid power system's reliability. Poorly designed off-grid solar systems provide frustratingly unreliable power and a costly, short life span due to poor design or size, mismatched equipment, non-compliance and unsafe installation.
