

Donate solar generator

Your donated or discounted solar modules, inverters, racking, EV chargers, storage solutions, and more help us accelerate a transition to clean energy that includes everyone.

Our donation process provides a commitment of zero land fill of solar materials, little or no cost to the donor, tax incentives for donations, and a great feeling that you are helping those in need.

Help us deploy solar power to communities in need via our partnership with Good Sun and Twende Solar as we hasten the transition to a global clean power economy.

Good Sun provides professional solar installation services and solutions for residential and commercial properties. Get cost-efficient and eco-friendly solar energy today!

The following 4 steps outline the process for donating solar panels and solar equipment to Good Sun. 1. Are the modules viable for reuse? Modules acceptable for donation need to be producing at least ...

MSH Solar is seeking donations to donate more portable solar generators to unhoused people. These solar powered generators help people to charge cell phones, keep warm and heat food. Donate today!

Please contact a solar recycler like Recycle PV Solar or We Recycle Solar in such cases. Responsibility may fall on the decommissioning contractor if agreed upon with the system owner.
