

# Feng Shui Outbreak Movie Commentary

Feng Shui may not be the perfect, but there is much to appreciate. The film's ability to create real tension without the need for jump scares makes it an impressive horror entry and one of ...

Feng Shui is a 2004 Filipino supernatural horror film starring Kris Aquino. Co-written and directed by Chito S. Roño, it centres on a cursed Bagua mirror that brings death to those who stare at it, with the ...

While I won't be revisiting Feng Shui any time soon, it still has its effective moments, and there are definitely Filipino horror fans who will enjoy this, flaws and all.

In this video, we explain the full story of Feng Shui (2004), a Filipino supernatural horror movie that shocked audiences with its unique zodiac-based curse concept.

As we reflect on the cult classic that is the Feng Shui movie, we remember the impact it had on the horror genre, the cultural significance it represents, and the legacy it leaves behind.

While riding a bus home, Joy finds an abandoned Bagua mirror, a Feng Shui amulet used to ward off bad energy and bring good fortune to the home. Not able to find the owner, she brings it home and a ...

OverviewPlotCastThemesReceptionSequel and remakeParodiesFeng Shui is a 2004 Filipino supernatural horror film directed by Chito S. Roño from a story and screenplay he co-wrote with Roy C. Iglesias. Starring Kris Aquino, it centers on a cursed Bagua mirror that brings death to those who stare at it, with the circumstances of their death relating to their Chinese zodiac. Produced and distributed by Star Cinema, the film was theatrically released on September 15, 2004, in Dolby Digital, grossed PHP170 million at the box office and was the highest-grossing film of 2004 in the P...

Starring Kris Aquino, it centers on a cursed Bagua mirror that brings death to those who stare at it, with the circumstances of their death relating to their Chinese zodiac.

Review: Feng Shui presents a unique storyline. The film showcases how Chinese traditions and beliefs hold significant influence in the country. Many people still believe in the good ...

The film's use of the bagua mirror, a key symbol in feng shui, as a harbinger of both fortune and doom is clever and unsettling. The way the deaths tie into the victims' Chinese zodiac signs adds a layer of ...

I can't speak for those who made this a blockbuster in 2004, but I must say that "Feng Shui" is well-crafted enough to bring momentary shocks. Nonetheless, once you are accustomed to the pattern of ...
