

Huijue all-purpose outdoor power supply

Container-type energy base station: It is a large-scale outdoor base station, which is used in scenarios such as communication base stations, smart cities, transportation, power systems and other edge ...

With flexible power output options (600W or 1200W) and diverse interfaces such as USB, Type-C, DC, AC, and wireless charging, HuiJue's power station ensures compatibility with most household ...

The Huijue Group HJ048 Small Integrated DC Power Supply is an IP65-rated outdoor power solution operating at 48V, multi-output, remote monitoring, with advanced protection. It is designed for ...

Who is Huijue group?Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ...

The outdoor small integrated DC power supply (assembled type) provides power for low-power network access layer devices and, when combined with a battery, can offer long-term backup.

Huijue's Weatherproof outdoor dc power supply for industrial, commercial & home use. Combining efficiency, safety, and scalability, it meets your power needs with optimized usage and real-time ...

The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

It was suitable for power supply such as small capacity access network devices,remote exchange bureau, mobile communication devices.transmission devices, satellite earth station and microwave ...

The Huijue IP65 outdoor lithium battery (HJ4850L Assembled Battery Module) is a high-performance, integrated solution for critical power backup. The modular design integrated with the BMS and ...

It supports 2.5kWh battery expansion packs and can support up to 6 power packs, reaching 17.5kWh, to provide a stable power supply for various household appliances.
