

# Longi photovoltaic panel 495

Excellent outdoor power generation performance. High module quality ensures long-term reliability.

Hi-MO 5m (G2) LR5-66HPH 495~515M &#183; Based on M10-182mm wafer, best choice for ultra-large power plants echnology delivers superior module effic &#183; Excellent outdoor power generation performance &#183; ...

The LONGi LR5-66HPH-495 is a 495W solar module featuring 132 half-cut cells, designed for optimal energy production in commercial and industrial settings. Its robust silver frame ensures durability and ...

Unlock the potential of solar energy with the solar panel LR7-54HJD-495M (BFR, BIF, DG) from LONGi Solar, which has a rated output of 495 watts and makes your power generation more sustainable.

The Longi 495W 66 CELL Solar Panel offers excellent performance with up to 21.1% efficiency. Ideal for roof-top off-grid residential applications, Longi solar panels also feature lower resistive loss with ...

LONGi Solar Technology Co., Ltd. Solar Panel Series Hi-MO 5m LR5-66HPH 495-515M. Detailed profile including pictures, certification details and manufacturer PDF

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(BGV02 20250423)

Get the best deal on LONGi LR5-66HPH-495M 1500V Black Frame Monofacial solar panel from multiple sellers on sun.store. Efficiency and choice in one marketplace.

The panel ensures superior outdoor power generation performance under lower temperatures and offers long-term reliability. Backed by a 12-year warranty for materials and workmanship and a 25-year ...

The LONGI Solar LR5-66 HPH 495 M panel delivers 495W. Maximum current and voltage are 12.95A and 38.23V respectively. As for physical dimensions, the panel is 2073mm tall and 1133mm, wide, ...
