

# Monaco Summer Energy Storage Project

"By 2027, Monaco could store enough renewable energy to power itself for 18 hours without sunlight - that's like keeping every casino light blazing through three consecutive cloudy days!"

Situated in France, this photovoltaic park will harness solar energy to produce clean electricity for Monaco; decreasing its dependency on fossil fuels and lowering its carbon emissions.

Ecology Transition in every shade from Monaco ?? and its International Network +10K Thank you!
