

You might be considering upgrading to an Electric Vehicle (EV) or have started using one at work. Here we've answered some of the frequently asked questions we often receive.

Electric vehicle drivers will need to adhere to any normal parking restrictions that apply at that location. If you do encounter the wrong vehicle parked in this space, prohibiting EVs to park and charge, you ...

Electric vehicles (EVs) including plug-in hybrid electric vehicles, are one of New Zealand's biggest opportunities for reducing CO 2 emissions. 85% of New Zealand's electricity is generated from ...

Electric Bus FleetEv-First PolicyRegional Electric Vehicle Working GroupSupporting Evs in The Wellington Region - Advisory ReportWe have adopted an electric-first policy for our vehicle fleet - this means EVs are the first preference for any new vehicle purchases, unless it can be demonstrated that they are not suitable. We have issued a 30 page paper and the wording of our policy, together with an action sheet with ideas for fleet managers.
